

HOWELL LANDSCAPING

Garden Maintenance Operative

Full time

Established in 1983 with premises in the heart of Gillingham, Howell Landscaping enjoy a varied and loyal client base, working in stunning and exclusive private gardens across the region.

We are seeking an individual to join our maintenance team. You will have at least 3 years' previous experience in garden maintenance. You will need to demonstrate enthusiasm, a high standard of work, conscientiousness and possess great communication skills.

Duties will include:-

hedge cutting | mowing | strimming | border maintenance
planting & pruning | weed control

A sound plant knowledge is essential as is experience using all garden machinery.

This is a permanent, all year round, physically demanding position. A full driving licence is necessary.

Competitive salary depending on experience and use of company van.

COVID-19 considerations:

Howell Landscaping are managing COVID-19 in line with the UK Government guidelines.
